McAuley Views

McAuley Views is an exclusive project offering architectural designed dwellings with elevated views. With only thirteen town homes in the complex this truly is 'Boutique Living'. High spec inclusions and quality finish are only the beginning for McAuley Views.

Located within the master planned community of Pacific Pines you will have everything at your finger tips. As the new 'gateway to the Gold Coast' Pacific Pines offers the best of both worlds. Ideally situated at the 'top' of the Gold Coast, being 40 minutes from Brisbane and just minutes away from the Gold Coast's famous beaches. With it's natural pine setting, planned parklands, nature reserves, school, shops and walkways it truly is a homeowners dream..... and a great opportunity for investors.
